

# How to download eBooks & Audiobooks Using Libby

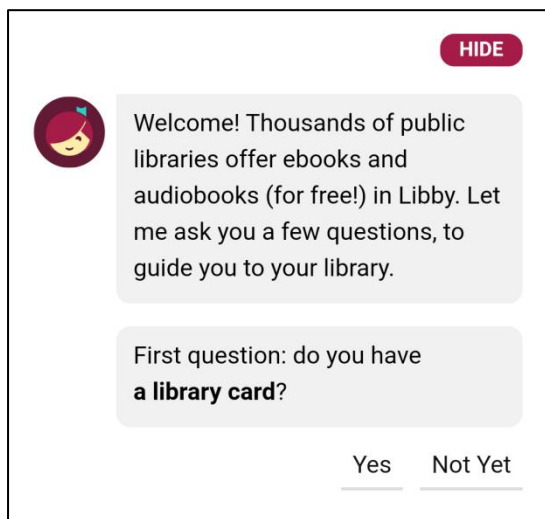

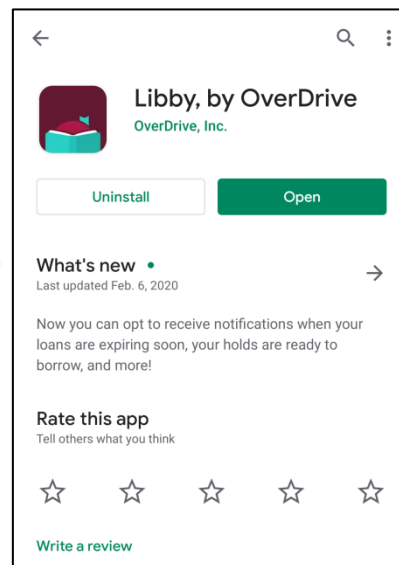

## 1 - Search for Libby in your app store

Use the **iTunes App Store** for Apple devices like **iPhone** or **iPad**.

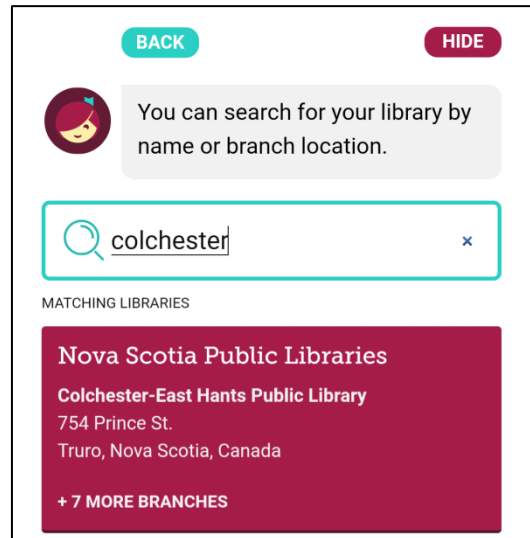

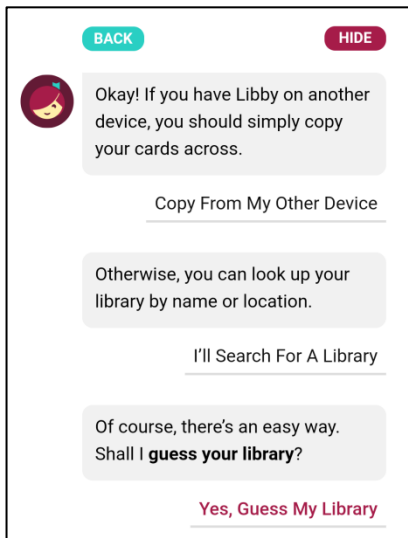

Use the **Google Play Store** for Android devices.

## 2 - Follow the instructions to install the app on your device. Once installed, open the Libby app on your device.

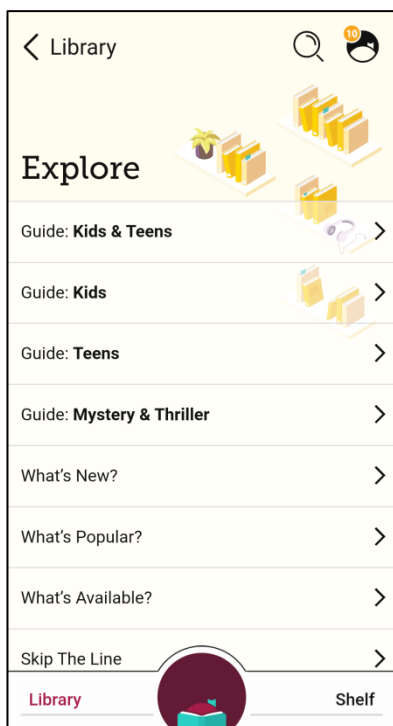

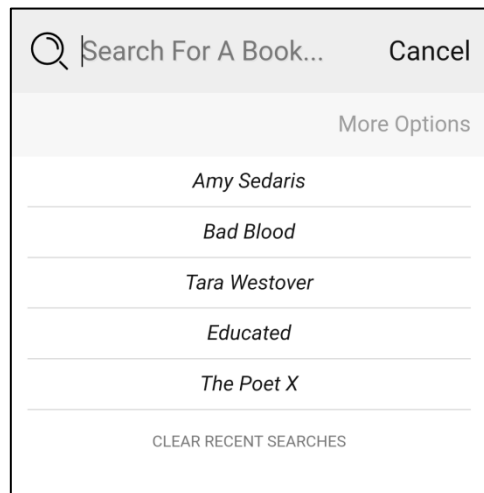

## 3 - In Libby, follow the prompts to find your library and sign-in with a valid library card.

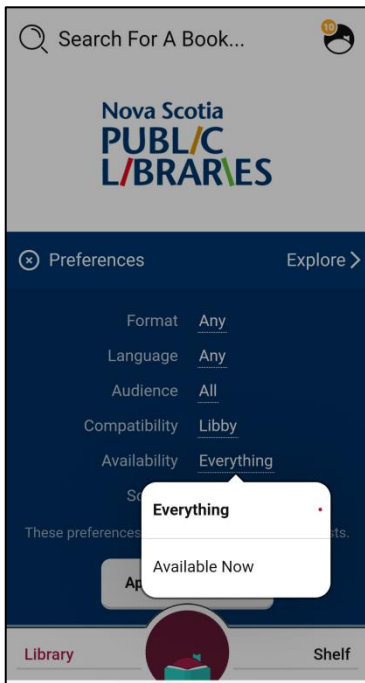

4 - After you have signed in with your library card information, Libby is ready!

You can find books by title or author using the **Search** function.

5 - Explore based on what is new or popular, what is available, by language, or audience

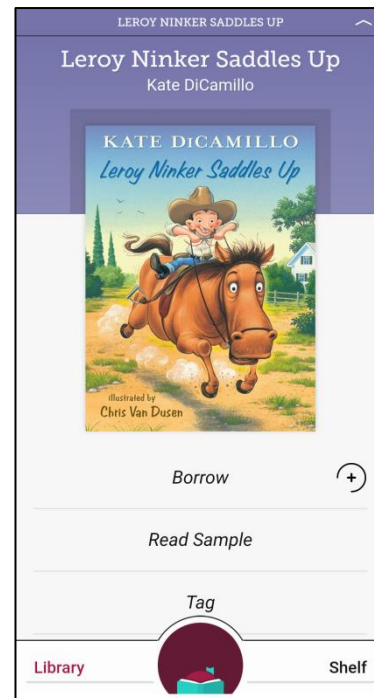

6 - Set your preferences in order to find what meets your interests.

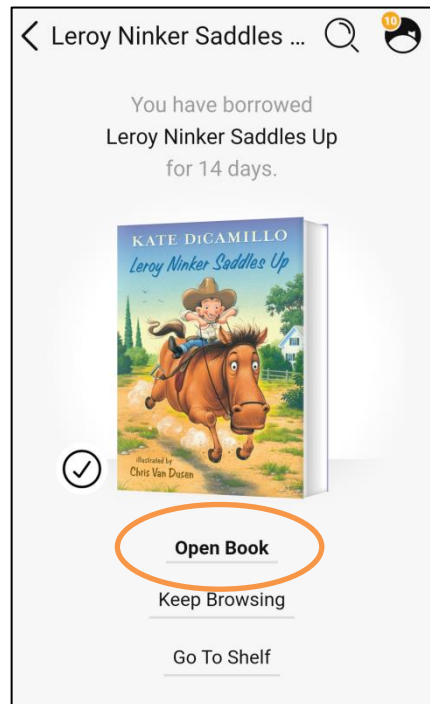

7 - Once you have found a title, you can listen to or read a sample or simply **Borrow** the item to access it on your device.

8 - Follow the prompts to install the material on your **Shelf**. This is where you can see all the digital material you have borrowed on Libby.

9 - Once it is checked out, you can **Open** the audiobook or ebook in the app.

10 - If an item is not currently available, you can **Place a Hold**. Libby will inform you when it is available using the email address that is on your library membership.
